Practice Area

As a senior member of Wiggin & Nourie, Wright Danenbarger has over 36 years of business litigation experience in New Hampshire. In and out of federal and state courtrooms, Wright will represent your interests relating to commercial, intellectual property, construction, and personal injury litigation. Trying matters such as these requires a level of confidence in your legal counsel's ability to draw upon past experience and knowledge to navigate through the occasionally complex twists and turns of your case. With a degree in chemical engineering coupled with over 30 years of experience in handling complex technical claims, Wright understands the many challenges your company encounters in such litigation. When you are facing the prospect of litigation, you can trust the experience Wright will bring to your case.
