FINDLAW DAILY OPINION SUMMARIES
U.S. 1ST CIRCUIT COURT OF APPEALS

Civil Rights, Constitutional Law

Nunes v. MA Dept. of Corrections, No. 13-2346

Five prisoners with HIV challenge the decision of prison officials to dispense HIV medication in single doses at the dispensing window, alleging violations of the Eighth and Fourteenth Amendments, The Americans with Disabilities Act, and the Rehabilitation Act. Summary judgment against plaintiffs is affirmed, where plaintiffs have not produced adequate evidence of any constitutional or statutory violation.

Criminal Law & Procedure, Sentencing

US v. Santiago, No. 13-1146

Conviction of defendant for failing to register as a sex offender, and sentence of ten years supervised release, including a series of special sex offender conditions, is vacated as to condition thirteen, which was imposed in defendant's absence.

Civil Procedure, Tax Law

Jardin de las Catalinas LP v. Joyner, No. 12-1757

Judgment on the pleadings for waiver, untimeliness, and the absence of a constitutionally protect property interest in the tax credits sought by plaintiffs, is affirmed, where the plaintiffs' action was brought outside the applicable limitations period and equitable tolling does not rescue it.
