

**UNITED STATES DISTRICT COURT
DISTRICT OF NEW HAMPSHIRE**

**KAREN GORHAM
SELECTED AS NEXT CHIEF DEPUTY CLERK**

Dan Lynch, Clerk of Court for the United States District Court for the District of New Hampshire, is pleased to announce the appointment of Karen Gorham as the next Chief Deputy Clerk. Although Karen will join the clerk's office staff in April, she will formally succeed Tracy Uhrin as the Chief Deputy when Tracy assumes the role of Clerk of Court upon Dan's retirement in March of 2025.

Karen began her legal career as a prosecutor in California and then moved to New Hampshire to work as a prosecutor at the Attorney General's Office and the Hillsborough County Attorney's Office. Karen was then appointed as the Clerk of the Strafford County Superior Court before becoming the Superior Court Administrator for the New Hampshire Judicial Branch, a position she has held for the last nine years. While in that position, she oversaw the implementation of electronic filing in both civil and criminal cases in the superior courts.

The clerk's office is excited for Karen to bring her experience in court administration, history of successful implementation of court technologies, and innovative problem solving to the federal court.
