**UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF NEW HAMPSHIRE**

**In Re: Atrium Medical Corp. C-Qur Mesh  
Products Liability Litigation (MDL No. 2753)**

**MDL Docket No. 16-md-2753-LM  
ALL CASES**

**CASE MANAGEMENT NO. 3E(ii)  
ADDENDUM TO PROTECTIVE ORDER**

The parties have agreed to the terms of this Addendum to the Protective Order, CMO 3E (doc. no. 97); which they propose be entered as Case Management Order 3E(ii); accordingly, it is ORDERED:

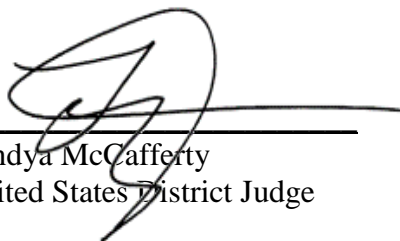

When a party seeks to file its own Confidential Materials under seal pursuant to paragraph 9(a) of CMO 3E, the filing party shall be allowed to submit electronically-signed copies of unredacted pleadings which have been filed in redacted format on the public docket, under cover of their conventionally-filed motions to seal, notwithstanding any interpretation of LR 83.12(d) or AP 3.3 (b) or (c) that would otherwise require such unredacted documents to be filed with original, “wet” signatures. This exception to the requirements of LR 83.12 and AP 3.3 does not apply to any motion to seal that does not include a pleading filed in redacted format on the public docket.

<sup>1</sup> Getinge AB (“Getinge”) is not included in the term “[t]he parties” so as to not be deemed as litigating this matter given its pending Motion to Dismiss for Lack of Personal Jurisdiction. To the extent that Getinge is a presently a party to this litigation and its assent is ordered by the Court, it agrees to be bound by the terms of this Protective Order, without waiving its position that this Court lacks personal jurisdiction over it.

In the event of any conflict between this Addendum and paragraph 9(a) of CMO 3E, this Addendum shall control.

SO ORDERED.
