I certify that over the next two (2) years, I will satisfy the following membership requirements:

1. If I have represented six (6) criminal defendants in this district during the last three (3) years, I will attend all CJA training programs presented in this district; otherwise, I will annually complete a minimum of six (6) hours of training or continuing legal education programming related to federal criminal defense, including at least three (3) hours devoted to federal sentencing;
