Most Recent Summaries

Gitau v. Sessions

December 22, 2017

Civil Procedure, Evidence, Immigration Law

(United States First Circuit) - Denying the petition of a woman for review of a decision from the Board of Immigration Appeals dismissing her appeal from an Immigration Judge decision ordering her removal to Kenya, deferring to court rulings on credibility and its determination that removal would not result in extreme hardship.

Garcia Garcia v. Costco Wholesale Corporation

December 22, 2017

Civil Procedure, Labor & Employment Law

(United States First Circuit) - Affirming the entry of summary judgment to Costco in the case of a longtime employee who was terminated following the investigation into missing meat inventory for which he was deemed responsible, though he was never directly accused of wrongdoing because much of the evidence proffered amounted to hearsay and gossip.

US v. Rivera Cruz

December 22, 2017

Sentencing, Criminal Law & Procedure

(United States First Circuit) - Affirming that a plea agreement where the government argued for a sentence consistent with the representations made in the plea agreement had adequate consideration to support its enforcement.

Eil v. US Drug Enforcement Administration

December 22, 2017

Health Law, Media Law

(United States First Circuit) - Reversing a district court decision relating to the release of private individuals' medical documents under the Freedom of Information Act in a case brought by a journalist conducting research because the balancing of public interest in disclosure and the relevant privacy interests was flawed due to the court's application of the wrong standard because the release of the documents was unlikely to advance a valid public interest and substantial privacy interests implicated by the records outweighed the interest in disclosure.
